

# Acute First Aid

## Public Training 2009

Acute First Aid, a registered training organisation, provides flexible first aid training solutions around Australia, to meet your individual requirements. Our relaxed, learner-centred training sessions will give your employees the practical skills and confidence to manage a sick or injured person in an emergency.

### Courses Available

Acute First Aid specialises in training in a relaxed learning environment. The practical, interactive environment will give you the confidence to learn, and retain, crucial first aid and life saving skills.

#### HLTCPR201A Perform CPR

3 Hours \$50

Ideal for people wanting to learn life saving techniques of resuscitation for the first time or simply to refresh their skills.

#### HLTFA201A Provide Basic Emergency Life Support (Level 1) 1 Day \$75

This entry level course is designed for people who want to learn the key elements of first aid. It will arm you with the life saving skills that you will need to perform in an emergency situation, in those vital minutes before the ambulance arrives.

#### HLTFA301B Apply First Aid (Senior / Level 2) 2 Days \$175

Covering a broad range of first aid topics, this course is designed for first aiders at work, local sporting clubs, schools or in the family. There are no pre-requisites for this course and it incorporates topics delivered in the Emergency Life Support (Level 1) course.

#### HLTFA301B Apply First Aid (Senior / Level 2) FLEXIBLE 1 Day \$99

Acute Flexible is a way to complete the Provide First Aid (Level 2 / Senior) certificate in a flexible manner. It is designed for people who are not able to attend a full two-day course, or are refreshing their qualifications. The course contact time is cut by 50%. Prior to the course, participants complete a Self-Directed learning guide (Workbook) which updates all theoretical knowledge. The participant then attends a one-day practical skills review and assessment session, thus cutting the course in half!

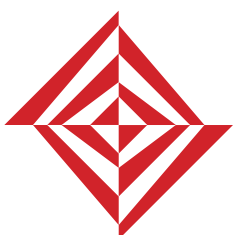

### Melbourne Locations

- City (St Kilda Rd)
- East (Bayswater)
- South East (Dandenong)
- South (Frankston)
- West (Sunshine)
- North (Broadmeadows)

### Enrolments

Complete the enrolment form attached
